Subject: Re: FW: Internet Fax Job

Hello Avi,

On behalf of my wife and me I would like to thank you dearly for an **outstanding service** in shipping our house goods from Ireland to Israel.

Everything has been expertly packed by the team in Ireland and we received great help from Amnon here in Israel to release the goods.

Overall it was a very professional and pleasant experience for us so thank you again!

Daniel and Vanessa

Kibutz Haogen.

Thank you!
