Re: A. UNIVERS TRANSIT LTD, from Ashdod, Israel

Dear Sir/Madam

We used the courier services of the above company twice, on 2007 and 2012. We were very pleased with the service at both ends, Israel and the UK. We really felt that our delivery of house hold was taken seriously, handled professionally and with attention.

I strongly recommend the service of **A. UNIVERS TRANSIT LTD.**

Please do not hesitate to contact me should you have any further inquiry.

Kind regards

Eyal Gonen Cohen
